Engobbi

ENGOBES

FOOD SAFE

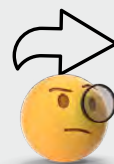

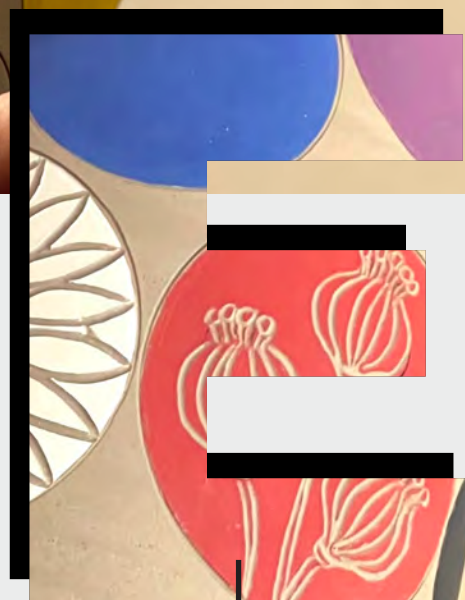

READY TO USE

NOT TOXIC

LEAD FREE

Gli engobbi sono proposti in 56 colori diversi. La loro principale caratteristica è l'altissima concentrazione di pigmento che gli conferisce un'ottima copertura sulle ampie superfici e grande facilità di uso. Tutti gli engobbi possono essere usati indifferentemente sia su argilla cruda (greenware) che su biscotto. Perfetti per graffito. Qualora si desideri una finitura lucida, Matte o craquelè applicare una delle cristalline Colorobbia Art sul biscotto engobbiato. Nella stessa serie è presente la Filigrana HCO - 610, pasta bianca a rilievo, per contornare o rifinire, perfetta per l'uso a peretta. Acquista il barattolo di filigrana (1 litro) e usa una qualsiasi bottiglia di Detail che hai o usa la bottiglia del "Kit applicatore Colorobbia" (MHC 1822), che include punte di diverse dimensioni.

Engobes are offered in 56 different colours. Their main feature is the very high concentration of pigment that gives it excellent coverage on large surfaces and great ease of use. All engobes can be used both on greenware and bisque. Perfect for graffiti. Use filigrana for a fun raised effect on your pottery. Shake jar well and refill in Detail bottle shake the jar. Gently squeeze bottle to create design on your piece. Filigrana (HCO - 610) comes in white only, but a little bit of Bellissimo can be added to change colour for fun effects. Purchase jars of filigrana (1 pint) and use any Detail bottle you have or use Colorobbia Detail bottle (MHC 1822), which includes several size tips.

Engobbi

ENGOBES

TECNICA UTILIZZATA / TECHNIQUE USED

La creatività è un processo eterno, che si origina nella mente e si esprime pienamente nelle mani dell'artista; così gli Engobbi, variopinti colori dall'altissima concentrazione di pigmenti, diventano il tuo alleato perfetto per ogni opera d'arte; scegli i colori che preferisci e ricorda, li puoi usare su molteplici basi quali argilla cruda e biscotto e sono l'ideale anche per il graffito. Per una finitura lucida, matte o craquelé puoi applicare una delle cristalline sul biscotto engobbiato.

CONSIGLI PER L'USO

Per evitare la contaminazione e la formazione di muffe, è importante non immergere direttamente il pennello nel barattolo durante l'applicazione del prodotto. Si consiglia di versare una piccola quantità di prodotto su una superficie pulita e prelevare da lì con il pennello. Questo accorgimento aiuterà a mantenere il prodotto fresco e privo di contaminazioni.

Creativity is an eternal process that originates in the mind and expresses itself fully in the hands of the artist; thus Engobbi, colorful colors with a very high concentration of pigments, become your perfect ally for any work of art; choose the colors you prefer and remember, you can use them on multiple bases such as raw clay and cookie and they are also ideal for graffiti. For a glossy, matte or craquelé finish you can apply one of the crystals to the engobed cookie.

USAGE TIPS

To avoid contamination and mold growth, it is important not to dip the brush directly into the jar when applying the product. It is recommended to pour a small amount of product onto a clean surface and pick it up from there with the brush. This expedient will help keep the product fresh and free of contamination.
